Strategic Priorities 2020–2022

Guided by UC San Diego's Strategic Plan and the university's Strategic Plan for Inclusive Excellence, the Library sets priorities and engages in annual goal setting evaluation. We aim for long-term outcomes that support the success of our students, faculty, and researchers.

Library Priorities	University Goals Supported
Support student and faculty success through instruction, information services and outreach to help patrons discover, critically evaluate, manage, and disseminate information.	• Student Experience • Interdisciplinary Research • Diversity and Access • Supportive Infrastructure
Support research and learning by securing or providing access to academically-focused information resources and tools.	• Student Experience • Interdisciplinary Research • Diversity and Access • Supportive Infrastructure
Be a place for community and scholarship by providing students with diverse, inclusive, accessible, safe, and resource-rich physical and digital spaces that are centered on supporting the academic experience.	• Student Experience • Diversity and Access • Community Enrichment • Supportive Infrastructure
Extend the impact of research at UC San Diego by being a leader in the preservation and dissemination of research output.	• Interdisciplinary Research • Supportive Infrastructure
Build institutional excellence through campus and community partnerships, staff development, organizational planning, financial stewardship, and assessment.	• Supportive Infrastructure
