Date: November 2013. Duration: Permanent

Summary:

This license enables Purchaser to allow access to the dataset(s) indicated in this agreement to multiple users via the placement of the dataset(s) on a network server or in another controlled environment that allows access to multiple users. The limitations are: a) no copying for purposes other than archival backup; b) no distribution for purposes other than analysis; and c) only authorized users may access the dataset(s). Purchaser guarantees that the network system is capable of limiting access to such authorized users only.

License:

Dataset(s): several datasets of similar format and content, all being **PRESIDENTIAL RESULTS BY CONGRESSIONAL DISTRICTS**, for the following Congresses: a) 103rd (1992 election); b) 104th (1994 election); c) 105th (1996 election); d) 106th (1998 election); e) 107th (2000 election); f) 108th (2002 election); g) 109th (2004 election); h) 110th (2006 election); i) 111th (2008 election); j) 112th (2010 election); and k) 113th (2012 election); each having 435 records and election results or estimates for congressional and presidential elections.

- A) *Authorized User:* An authorized user includes one affiliated with, or allowed access by, the Purchaser. In the case of libraries or other institutions, the term authorized user also includes a non-affiliated patron who is physically on site and has been granted access to electronic resources via the institution's infrastructure.
- B) *Multiple Access:* This dataset(s) is sold to the Purchaser to allow access to more than one authorized user. The dataset may not be stored in an area on a network server or other environment that allows access via the internet/world-wide-web without limitation. The directory structure must allow for usernames and passwords, IP restriction, or some other network operating system mechanism that limits access to authorized users. To provide for verification that Purchaser has met these license requirements a log of user access must be made available upon request.
- C) *Copying & Distribution:* Authorized users may make copies of any single dataset, including documentation, for their own offline manipulation and analysis. The entire dataset(s) may be copied for archival purposes. No distribution of the entire dataset(s) may be made for any other reason.
- D) *Notice to Users:* The Purchaser will make reasonable efforts to inform users of the following when accessing the dataset(s): "A) **Making Copies:** User may make a copy of any single dataset, including documentation, for their own offline manipulation

and analysis. B) Estimation Process: Some of the information included in the dataset(s) is subject to estimation and may be different from similar information available from other sources. User is encouraged to contact Licensor to discuss any differences in data before making any public comment or publication about any such differences between data sources. C) External Research: Copies of external research papers (e.g., papers submitted for publication) must be sent to Licensor promptly upon distribution. D) Internal Research: Copies of internal research papers (e.g., papers done for class assignment) are welcome but not required. E) Attribution: When a citation for the dataset(s) is required the following is suggested: Polidata, Corinth, VT. Presidential Results by Congressional Districts of the [xxxth] Congress (www.polidata.org) from the copy available at [user's institution]; accessed [date]. F) Contact Info: Web: [Text deleted] ; email: [Text deleted] ."

CONFLICT IN TERMS: In the event of any conflict between Licensor's terms of use presented on their website or other company information and this Agreement, the terms of this Agreement shall prevail.

IN WITNESS WHEREOF, the parties have executed this Agreement by their respective, duly authorized representatives on the dates written below.
