Library Resources & Services
Using the Library

Library Website
Start with the Library website to learn about and locate Library resources and services.
library.ucsd.edu

Borrowing
Use your UC San Diego ID to checkout materials at self-check kiosks or Library Front Desks.
lib.ucsd.edu/borrow-and-request

Your Library Account
Set up a PIN for your Library Account to view, manage, and renew items you have borrowed, request books be pulled for you for pick-up, request scanning of UC San Diego-owned items, or request books from other libraries.
lib.ucsd.edu/my-account

Course Reserves
Find books, articles, and other materials ‘on reserve’ for your courses. You can access online materials 24/7 and physical materials when the Library is open.
lbl.ucsd.edu/reserves

Use the Library from Off-Campus
Configure UC San Diego’s VPN (Virtual Private Network) to access e-books, online journals, course reserves, and databases from off-campus.

Get the Help You Need
Have a question of any kind? Need research help fast? Ask us via chat, email, text, phone, or in person.
lib.ucsd.edu/ask

Library and Service Desk Hours
lib.ucsd.edu/hours

Study Spaces
Find a study space that meets your needs. For UC San Diego students, there is study space in Geisel Library open 24/5 Sunday-Thursday and 24/7 during 10th and Finals Weeks. Group study rooms can be reserved ahead of time.
lib.ucsd.edu/study-spaces

Computing
PCs and Macs are available and laptops can be borrowed for 24 hours from the Biomedical Library Building’s Front Desk. A complete list of computing options/software is available online.
lib.ucsd.edu/computing

Digital Media Lab (DML)
Located in Geisel, the DML provides UC San Diego students, faculty, and staff a space for 3D printing and scanning, VR/AR, video and sound editing, image manipulation, media-rich website creation, and app development. Assistance is available during open hours. No experience necessary.
lib.ucsd.edu/dml

Data & GIS Lab
Located in Geisel, this Lab is the place for UC San Diego students, faculty, and staff to get hands-on assistance with data and GIS software and with finding, managing, analyzing, and visualizing geospatial, numeric, and textual data.
lib.ucsd.edu/data-and-gis-lab

Tech Lending
UC San Diego students, faculty, and staff can borrow items such as device chargers, adapters, laptops, flash drives, headsets, whiteboard supplies, and more. Items are available from Front Desks in both Library buildings and from Geisel’s East Commons Desk.
lib.ucsd.edu/tech-lending

Printing and Scanning
Print from any Library computer using your UC San Diego ID. Cost is $.10 per page for black and white or $.40 for color. Self-service scanners are available in both Library buildings and provide quick, high-quality scans of print materials.
lib.ucsd.edu/print-scan-copy

Get Started With Your Research
Check out the "Get Started with Research" tutorial to quickly learn how to use the Library, conduct research, find books and journal articles, and more! Or browse our various tools and guides to aid your research and coursework.

lib.ucsd.edu/get-started

Find Books, Journals, Videos, and More
Use Roger, the Library Catalog, to identify and locate books, e-books, online journals, media, and more available at UC San Diego. In Roger, you can also request UC San Diego-owned books be pulled for you and placed on shelves near Library Front Desks for quick pick-up.
roger.ucsd.edu

Find Articles
Use databases to search for articles on particular topics. Many articles are available full-text within those databases.
lib.ucsd.edu/find-articles

Find and Request Materials from Other Libraries
If the Library doesn’t have a book or article you need, search other libraries and request to have books delivered for pick-up or articles emailed.
