12.8 If any provision contained in this Agreement is determined to be invalid or unenforceable, in whole or in part, the remaining provisions and any partially enforceable provision will, nevertheless, be binding and enforceable, and the Parties agree to substitute for the invalid provision a valid provision which most closely approximates the intent and economic effect of the invalid provision.

12.9 Subject to clause 12.2, this Agreement may not be varied, modified, altered, or amended except by agreement in writing by the Parties' duly authorised representatives.

12.10 Unless specifically stated otherwise in this Agreement, any notice required to be given pursuant to this Agreement will be directed:
