

**License Agreement for
Internet Access to
American Institute of Aeronautics and Astronautics
Published Materials**

This License Agreement is entered into by and between the American Institute of Aeronautics and Astronautics (hereinafter "AIAA") located at [REDACTED] USA, and University of California at San Diego (hereinafter "Licensee"), located at Geisel Library [REDACTED]

In consideration of the mutual promises contained herein and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties hereto agree as follows:

1. License

This License Agreement grants the Licensee and its Authorized Users (hereinafter defined) located at the Authorized Site (hereinafter defined) a non-exclusive, non-transferable License to access through the Internet the Published Materials listed in Appendix A, which may from time-to-time be modified upon the mutual agreement of both Parties. Authorized Users may use the Published Materials for Authorized Uses (hereinafter defined).

2. License Fees

Licensee shall pay for access to the Published Materials at the rates set forth in AIAA Published Price List. Payment of the License Fees for a one-year subscription is one-time only. For example, if Licensee pays the License Fee for the *AIAA Journal* issues published in 2001, Licensee shall have no additional obligation to make payment for accessing those issues.

3. Authorized Site

The Authorized Site subject to this Agreement is listed in Appendix B. The Authorized Site is one contiguous geographical office complex, campus, or building within a 5-mile radius of the Licensee's library or main administrative office. Extensions or offices located outside that 5-mile radius are considered separate sites not subject to this Agreement unless otherwise agreed to in writing by AIAA. Authorized Sites are limited to one corporate entity per building or campus.

4. Authorized Users

Authorized Users are those individuals officially affiliated with the Licensee, for example, those serving in the capacity of employees, consultants under contract with the Licensee, faculty and other teaching staff, and persons officially registered as full or part-time students, that are located at the Authorized Site. Authorized Users temporarily at locations outside the Authorized Site may connect temporarily and for a limited period of time via telephone lines to the Authorized Site only if they

normally work, attend classes, or conduct business at the Authorized Site. Others who are physically present at an Authorized Site (for example walk in patrons) may access the Published Materials, but may not connect via telecommunications from locations outside the Authorized Site.

5. Number of Concurrent Authorized Users

The License granted herein provides for an unlimited number of Licensee's Authorized Users to access the Published Materials concurrently. AIAA reserves the right to modify this section with respect to Published Materials that may be later included in Appendix A after the effective date of this Agreement.

6. Permitted Use

- (a) Licensee and Authorized Users may make all use of the Published Materials as is consistent with the Fair Use Provisions of United States and international copyright laws. Authorized Users may view, download or print a reasonable portion of the Published Materials for their personal scholarly research and educational use in accordance with the terms of this Agreement. Individual items that are downloaded will not be electronically stored, and shall be used only for the printing of a single copy to be used by the Licensee or Authorized Users under the terms contained herein.
 - (b) Except as set forth in Section 7 and elsewhere in this Agreement, Licensee may use the Published Materials to fulfill requests for InterLibrary Loans (ILL) according to the provisions of this Agreement. ILL shall include requests to support non-commercial use by patrons of other libraries. An Authorized User at the Library of an Authorized Site may obtain a copy of an individual item and transmit it to the ILL requesting Library by mail, fax or electronic transmission. Licensee may provide up to five (5) Interlibrary Loans of an individual item in the Published Materials without additional charge. Additional requests for an individual item may be fulfilled only if the applicable single copy fees are paid either to the Copyright Clearance Center or directly to AIAA, or its representative, through its single article sales procedures. Licensee shall maintain records respecting Licensee's use of the Published Materials for Interlibrary Loans and shall provide such records to AIAA upon request. At the time an Interlibrary Loan request is fulfilled, Licensee shall notify the requester that the item may be used only for the requester's personal scholarly, research and educational use, and if the item was transmitted electronically, that a single copy only of the item is to be printed (which itself may not be further copied) and that the electronic file must be destroyed after the item has been printed.
- #### **1. Prohibited Use**
- (a) Except as provided in Section 4(b) above, Licensee agrees not to forward, transfer, sell, rent, or otherwise knowingly distribute or provide access to the Published Materials or any portions thereof, to any third party that is not an Authorized User as described herein. Articles and other information obtained from the Published Materials shall not be used for fee-for-service purposes such as document delivery. Published Materials shall not be used to supply items to InterLibrary Loan requesters that

provide fee-for-service purposes such as document delivery.

- (c) Licensee agrees not to modify, alter, or create derivative works of the items contained in the Published Materials without prior written permission from AIAA.
- (d) Licensee may not remove, obscure or modify any copyright or other notices included in the Published Materials.
- (e) Articles and other information obtained as a result of this License are not to be systematically downloaded, re-published in any media, print or electronic form. Items may not be downloaded in aggregate quantities or centrally stored for later retrieval.
- (f) Licensee is required to make reasonable efforts to notify its Authorized Users of these prohibited uses and to notify AIAA of any infringements of copyrights or unauthorized use of which they become aware. Licensee will cooperate with AIAA in investigating any such unauthorized uses and taking reasonable steps to prevent a recurrence.
- (g) In the event of any unauthorized use of the Published Materials by an Authorized User,
 - (a) AIAA may terminate such Authorized User's access to the Published Materials;
 - (b) AIAA may terminate the access of the Internet Protocol ("IP" address(es) from which such unauthorized use occurred, and/or
 - (c) Licensee shall terminate such Authorized User's access to the Published Materials upon AIAA's request. AIAA shall take none of the steps described herein without first providing reasonable notice to Licensee, allowing a fifteen (15) day period to cure the unauthorized use, and working with Licensee to avoid recurrence of any unauthorized use.
- (h) Any use of the Published Materials not explicitly permitted in Section 6 shall be considered Prohibited Use of the Published Materials.

1. Delivery

The Published Materials shall be delivered in the standard Internet formats. AIAA reserves the right to change formats with three months notice. It is the responsibility of the Licensee and the Authorized Users to establish and maintain at their expense Internet connections to the Published Materials; to provide and install suitable Web browsers, licenses for Adobe Acrobat, and any other software necessary to view the Published Materials.

AIAA, or its representative, shall use reasonable efforts to provide continuous availability of the Published Materials through the Internet. It is understood that availability will be subject to periodic interruption due to maintenance of the server(s), installation or testing of software, the loading of new information files, and downtime related to equipment or services outside the control of the AIAA, or its representative.

Access to the Published Materials by Licensee shall be controlled through the use of Internet Protocol ("IP") addresses. Attachment 1 includes the list of Licensee's IP addresses through which access to the Published Materials shall be made.

2. Warranties

AIAA warrants that it has the right to license the rights granted under this Agreement, that it has obtained any and all necessary permissions from third parties to license the Published Materials, and that use of the Published Materials by Authorized Users in accordance with the terms of this Agreement shall not infringe upon the copyright of any third party.

10. Limitations on Warranties

THE PUBLISHED MATERIALS ARE PROVIDED "AS IS" WITHOUT WARRANTY OF ANY KIND, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, WARRANTIES OF PERFORMANCE OR MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, OR WARRANTIES AS TO THE ACCURACY OR COMPLETENESS OF THE PUBLISHED MATERIALS. IT IS LICENSEE'S ENTIRE RISK AS TO THE SELECTION, QUALITY AND PERFORMANCE OF THE PUBLISHED MATERIALS ONLINE SERVICE. NEITHER AIAA, NOR ANY INDIVIDUAL OR OTHER PARTY INVOLVED IN THE CREATION, PRODUCTION OR DELIVERY OF THE PUBLISHED MATERIALS ONLINE SERVICE SHALL BE LIABLE FOR ANY DAMAGES THAT RESULT FROM LICENSEE'S USE OF THE SERVICE SUCH AS LOST TIME, LOST PROFITS, COMPUTER PROBLEMS, OR OTHER SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES, REGARDLESS OF WHETHER SUCH DAMAGES ARE FORESEEABLE OR WHETHER SUCH DAMAGES ARE DEEMED TO RESULT FROM THE FAILURE OR INADEQUACY OF ANY EXCLUSIVE OR OTHER REMEDY. IN NO CASE SHALL AIAA'S LIABILITY EXCEED THE AMOUNT OF LICENSE FEES PAID DURING THE TWELVE-MONTH PERIOD PRECEDING ANY CLAIM OR NOTIFICATION OF DAMAGES.

11 Indemnities

AIAA SHALL INDEMNIFY AND HOLD LICENSEE HARMLESS FOR ANY LOSSES, CLAIMS, DAMAGES, AWARDS, PENALTIES, OR INJURIES INCURRED, INCLUDING REASONABLE ATTORNEY'S FEES, WHICH ARISE FROM ANY CLAIM BY ANY THIRD PARTY OF AN ALLEGED INFRINGEMENT OF COPYRIGHT OR ANY OTHER PROPERTY RIGHT ARISING OUT OF THE PERMITTED USE OF THE PUBLISHED MATERIALS BY THE LICENSEE OR ANY AUTHORIZED USER.

12. Term

This Agreement shall become effective on the date last signed below and shall be automatically renewed for successive one-year periods unless terminated pursuant to the termination provisions provided herein.

13. Termination

- (a) Termination for Default. If either party breaches a term of this Agreement, the other party may send written notice of the breach. If the breach is not cured within thirty days, or if the parties do not reach a satisfactory agreement on extending the cure period, then the non-breaching party may terminate this Agreement effective immediately upon written notice. In the event Licensee terminates this Agreement pursuant to this section because of an uncured breach by AIAA, AIAA shall pay a pro-rated refund of the unused License Fee to Licensee.
- (b) Termination for Convenience. Either Party to this Agreement may terminate the Agreement upon sixty days written notice to the other Party. In the event AIAA terminates this Agreement pursuant to this section, AIAA shall pay a pro-rated refund of the unused License Fee to Licensee.

14. Perpetual Access

AIAA shall endeavor to provide, but shall not guarantee that, Licensee shall have ongoing access to the Published Materials subject to this License Agreement, in a form or format substantially similar to the means by which access is provided under this Agreement. Such access shall be on a nonexclusive and royalty-free basis, and shall survive the termination of this Agreement, unless AIAA terminates the Agreement pursuant to Section 13(a) herein.

15. Jurisdiction

This Agreement shall be interpreted and construed according to, and governed by, the laws of the state of CA, United States of America. The courts located in CA shall have jurisdiction to hear any dispute under this Agreement.

16. Severability

If any provision or provisions of this Agreement shall be held to be invalid, illegal, unenforceable or in conflict with the law of any jurisdiction, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

17. Assignment and Transfer

Licensee may not assign or transfer, either directly or indirectly, its rights or obligations under this Agreement, without the prior written consent of AIAA.

18. Force Majeure

Neither Party shall be liable in damages or have the right to cancel this Agreement for any delay or default in performing hereunder if such delay or default is caused by conditions beyond its control including, but not limited to, Acts of God, Government restrictions (including the denial or cancellation of any export or other necessary license), wars, insurrections, strikes or other work stoppages, and/or any cause beyond the reasonable control of the Party whose performance is affected.

19. General

This Agreement sets forth the entire understanding of the Parties and supersedes all prior communications, understandings and agreements relating to the subject matter hereof, whether oral or written. This Agreement may not be modified without the express written consent of both Parties.

Licensee must pay any taxes, other than taxes on AIAA's net income, arising out of Licensee's use of the Published Materials and/or the rights granted under this Agreement.

The provisions of Sections 7, 10 and 11 shall survive any termination or expiration of this Agreement.

Institutional IP Addresses/Ranges**

IP address-based access control has been enabled for institutional subscribers for the Published Materials. Each computer that accesses the Internet is assigned an IP address, commonly represented as four number groups separated by dots, e.g. 192.58.150.10. All computers on a local area network, or subnet, may have the first two or three number groups in common. Access to the Published Materials from your institution will be authorized based on the IP addresses and/or ranges you provide.

Please list below the IP addresses and/or ranges (Class B, Class C and/or single station) via this form. Attach additional sheets as necessary. Note that Class B requests may be subject to additional review by AIAA.

Please provide below also your Network Contact in the event AIAA needs additional information.

Please list your IP addresses/ranges in the following formats:
