*There's so much power
In this land
resting in the
grower's hand.*

*Why should woman
child, or man
bend their backs
and work the land,*

*To fill your table
every day,
and go home
hungry, anyway?*

*UFW photo by Cathy Murphy taken July 1, 1976
Poem by Dianna Lyons*

During the Christmas Season
Let us reflect on the lives of children
still working in the fields.

Help end child labor.
Support the
United Farm Workers Union.
