4 Reasons

WHY THE

Southern Trust and Savings Bank

U. S. Grant Hotel Building (Branch at La Jolla)

SHOULD BE ACCEPTED AS

YOUR BANK

IT IS PROGRESSIVE

It believes in the future of San Diego, and its officers are ever alert to render aid toward its upbuilding, when such can be done consistently with sound banking principles.

IT IS CONSERVATIVE

Its officers and directors are in closest touch with its everyday affairs, and use every caution to the end that the bank's interests are at all times safeguarded.

It enables you to do ALL of your banking business under one roof

ITS COMMERCIAL DEPARTMENT will handle, to every satisfaction, every branch of business usually transacted by a Commercial Bank.

ITS SAVINGS DEPARTMENT pays interest on deposits—4% on six months term accounts, and 3% on three months ordinary accounts.

ITS SAFETY DEPOSIT BOX SYSTEM is of the most modern. Boxes rented at \$3.00 per annum and up.

ITS STOCKHOLDERS

are of such financial worth that it is absolutely justified in its claim—ONE OF THE STRONGEST FINANCIAL INSTITUTIONS IN THE WEST.
