Beers, John R. 1933-

John R. Beers Papers, 1968-1980

PHYSICAL DESCRIPTION: 4 mss

DESCRIPTION: The accession consists of proposals, reports, correspondence and data written or compiled by John R. Beers, associate research zoologist with the University of California Institute of Marine Resources. The accession includes extensive documentation of the Food Chain Research Group (FCRG) Algal and Zooplankton Culture Collections. The accession also includes reports and proposals concerning the Controlled Ecosystem Pollution Experiment (CEPEX).
