California Cooperative Oceanic Fisheries Investigation (CalCOFI)

California Cooperative Oceanic Fisheries Investigation Records, 1949-1988

Physical Description: 7 mss; 1 Lmss

Description: The collection consists of the records of the California Cooperative Oceanic Fisheries Investigation dated 1949-1988. They include committee meeting minutes and agendas, conferences, reports, proposals, photographs and SIO Marine Research Committee and one inch of correspondence from Wilbert M. Chapman. These materials were found by Ruben Lasker in a filing cabinet drawer labeled "Ancient History" in the U.S. NOAA NMFS Southwest Fisheries Center building.
