Accession No.: 96-12

PROCESSING RECORD Scripps Institution of Oceanography Archives

Heiligenberg, Walter Friedrich 1938-1994

Walter Heiligenberg Papers, 1967-1994

Physical Description: 6 mss; 1 oversize box; oversize material in map case.

Description: The accession includes slides, data, manuscripts of scientific papers, illustrations for scientific papers, and humorous newspaper clippings and greeting cards of Scripps Institution of Oceanography behavioral and neurobiologist Walter F. Heiligenberg.

Neurosciences

Walter Friedrich Heiligenberg

Papers 1960-1994

Accession Number 96-12

Plots of Indiana Data, May 1985-20 June 1985
4 July 1985-11 July 1985
Stonehenge Plots, 4 April 1984
Camera Lucida Sketches
Camera Lucida Drawings, February, 1982
Tectum
Softwave, Chamber Experiments and Data Plots, June 1985-September 1985
Data Plots of Stonehenge and Object Motion, 1984- 1985
Profile Plots, Starting 12 December 1985 With Data Starting at 3 December 1985
Torus Data, Plotted Under PTORUS and Softwave
Torus Solgi
JAR Latency Measurements, March 1985
Torus- Pbbs Data, Catalogue of Fills
Object Motion Experiment, 18 July 1985
[Data], 18 July 1985
Object Induced Timeform Figures and "JAR"s
Stonehenge Softwave, March 1984
ECLAMP, CLAPI Phase, PHSMOD
Eigenmannia, Irregular Pacemaker
