Johnson, Martin Wiggo. 1893-1984

Martin Wiggo Johnson Papers, 1918-1984

Physical Description: 9 manuscript boxes, 2 oversized boxes, 1 map case folder, audio recordings

Description: Collection consists of correspondence, awards, reports, committees, clubs, bibliography, biography, publications, expeditions, research notes, lecture materials, news clippings and photographs, scrap book, pencil sketches, expeditions, teaching slides, lecture material, and data. Also included in the collection is a roster handbook for the San Diego Business Men's Art Club, 1948-1950, a signed photo from CW Nimitz, Fleet Admiral, USN, and a certificate for the Bluenose Society, August 19, 1959

AUDIORECORDINGS

[Audio recording] Humpback Whales - Preamble, Whales at Night on Challenger Banks, Preamble, Whales off Gibbs Hill Lighthouse, Preamble Whales in Deep Water. F. Watlington, from Navy SOFAR Station [Bermuda], APO 856, N.Y., F. Watlington, R. McAllister, February 1960. Recordings on this tape were made during the period 1953-1960, but rerecorded on this tape in 1960. caljsioa_aud0051104 = 7" reel-to-reel audio recording

Biological Sounds - 10A-1, 324Y-1. n.d. University of California Division of War Research. caljsioa_aud0051569 =LP record, 78rpm. This recording is labeled, UCDWR, Biological Sounds with "Porpoise" hand written on the label. Made by the University of California Division of War Research sometime during WWII between 1939-1945. LP record also labeled as: SRGT and is stamped "CONFIDENTIAL" but this is crossed out in pencil.

Biological Sounds – 10A-3, 374Y-1. n.d. University of California Division of War Research. caljsioa_aud0051570 =LP record, 78rpm . This recording is labeled, UCDWR, Biological Sounds with "Porpois whistle" [porpoise] handwritten on the label. Made by the University of California Division of War Research sometime during WWII between 1939-1945. LP record also labeled as: SRGT and was stamped "CONFIDENTIAL" but this is crossed out in pen.

Biological Sounds – 10A-4, 381Y-1. n.d. University of California Division of War Research. caljsioa_aud0051571 =LP record, 78rpm . This recording is labeled, UCDWR, Biological Sounds with "1. Opsanus, 2. SIO ck, 3.SIOK" hand written on the label. Made by the University of California Division of War Research sometime during WWII between 1939-1945. LP record also labeled as: SRGT.

Underwater Calls of Delphinapterus Leucas [The White Whale] n.d. Woods Hole Oceanographic Institution. caljsioa_aud0051572 =LP record, 78rpm, scratches on the LP record, LP in very bad condition . Recorded by William E. Schevill and Barbara Lawrence in the Saguenay R., Quebec

Sea Noises Picked Up at the Kaneohe, Hawaii, Sofar Station – Part I & II. n.d. U.S. Navy Electronics Laboratory . caljsioa_aud0051573 =LP record, 78rpm, CV lateral cut. Recording No. C-1596

AUDIORECORDINGS (continued)

NEL Recording No. C1128 . n.d. U.S. Navy Electronics Laboratory. caljsioa_aud0051574 = LP record, 78rpm, lateral cut, LP in poor condition . U.S. Navy Electronics Laboratory Recording No. C-1128. The following cuts are handwritten on the LP: 1. shrimp, S.D. Yacht Hbr.20 ft. ; 2. shrimp pearl ; 3. shrimp, toadfish (2 outbursts) ; 4. shrimp, fish burp, fish (croaking hinge); 5. Porpoise; 6. Porpoise

NEL Recording No. C1130 and C1131. 1943. U.S. Navy Electronics Laboratory. caljsioa_aud0051575 = LP record, 78rpm, lateral cut. U.S. Navy Electronics Laboratory Recording No. C1130 and C1131. The following is handwritten on the LP: 1st half of 5X of report “Underwater sounds of Biological Origin” 1943. A 9 ½“paperstrip giving a hand written reference point to the LP is included with the LP.

NEL Recording No. C1132 and C1133. 1943. U.S. Navy Electronics Laboratory . caljsioa_aud0051576 = LP record, 78rpm, lateral cut . U.S. Navy Electronics Laboratory Recording No. C1130 and C1131. The following is handwritten on the LP: 2nd half of 5X of report “Underwater sounds of Biological Origin” 1943. Two 9 ½“paperstrips giving a hand written reference point to the LP is included with the LP.

Sounds of Biological Origin, Record No. 1102-C. n.d. U.S. Navy Electronics laboratory, San Diego 52, California. caljsioa_aud0051577 =LP record, 78rpm, scratches on the LP record . This recording is labeled “From No. 45 of Saluda series” and handwritten on label is “Sea Robin”.

Underwater Sounds of Biological Origin, Recording No. 5X. n.d. University of California Division of War Research. caljsioa_aud0051578 =Oversize LP record, 33 1/3 pm, orthacoustic recording lateral cut . Made by the University of California Division of War Research sometime during WWII between 1939-1945. Research recording no. 5X, labeled Confidential.

Ambient Water Noise 14th Naval District, Recording No. 65X-1. n.d. University of California Division of War Research. caljsioa_aud0051579 =Oversize LP record, 33 1/3 pm, constant velocity recording lateral cut. Made by the University of California Division of War Research sometime during WWII between 1939-1945. Research recording no. 65X-1, pressing no. 24, labeled Confidential.

Underwater Sounds of Biological Origin, Recording No. C-2222. n.d. U.S. Navy Electronics Laboratory . caljsioa_aud0051580 = Oversize LP record, 33 1/3 pm,

lateral cut, lacquer disk. U.S. Navy Electronics Laboratory Recording No. C-2222.

AUDIORECORDINGS (continued)

“Recordings of Undersea Marine Life,” by Virgil E. Harris, March 1954. U.S. Fish and Wildlife Service and the University of Miami Marine Laboratory, Coral Gables, Florida. caljsioa_aud0051131 = 4” reel-to-reel audio recording, 7 ½ ips, time 00:07:33. Recordings of commercial fish and shell fish, to help fisherman locate fish by their sounds.

California Grayback Whale Sonic Sound Sample. January 15, 1954. Naval Electronics Laboratory. caljsioa_aud005004 = One 7” reel-to-reel, speed 15 . caljsioa_aud005004.wav = WAV file, created from reel-to-reel, time 00:03:21. Recorded sound of California gray whale sounds, recorded two miles off Point Loma, California, within 50 yards from a boat. Speaker gives description of where, conditions, and how recording is being done, actual whale sounds begin at 01:46 time frame on the recording.

NOT FOUND DURING DIGITIZATION PROJECT but listed in original collection list: [Audio recording] Dub of Possible California Grayback Whale Sonic Sounds of Taken in YY-2 Area, S.D. by Code 2144 Personnel, N.E.L., October 5, 1984
