SIO Photographic Laboratory Photographs, 1905-1995

Physical Description: 7mss, 3 shoe boxes

Description: The collection consists of the proof sheets, prints, negatives & slides dated 1905-1995 from the SIO Photographic Laboratory. Images include artifacts, SIO campus, R/V Revelle, Institute of Geophysics and Planetary Physics, and construction of the Birch Aquarium.

**SIO Photographic Laboratory**  
**Photographs, 1905-1995**  
**Accession Number 2006-67**

**BOX FOLDER TITLE**

- 1 A.R. Proofs and Prints, 1982, [Professors teaching, portraits, crew and scientists working aboard “New Horizon” ship, “Alvin” research sub]
- A.R. Spare Prints and Odd Negatives, 1983, [Researchers at work, aquarium building]
- A.R. Proofs and Prints, 1984, [People scuba diving, people learning CPR, aerial shot of SIO library]
- S.I.O. Photo Lab, Negs. and Slides, Don Betts, Jan. 18, 1985
- S.I.O. Photo Lab, Negs., Old Pier Destruction Extras, 1988
- Spare Prints, A.R.’s, Library, 1988 and 1989
- Proof Sheets, White and Walker, A.R.’s, 1988 and 1989 [“Thomas Washington” Ship, researchers at work]
- A.R. Extra Prints, Proof Sheets, 1990, [Researchers and engineers at work, “Phantom DS4”]
- A.R. Proof Sheets, 1990, [Researchers and engineers at work in lab and boat]
- A.R. Proof Sheets, 1990 [“Phantom DS4”, researchers and engineers at work]
- Proof Sheets, 1991 [Researchers and engineers working, researchers placing tracking equipment on a penguin]
- 2 “Good” Prints, 1991, [Miscellaneous scientists and engineers at work, “Melville” ship, portrait of John Tyler, aerial shot of Kearsarge Pass]
- “Good” Prints, 1991, [Miscellaneous researchers at work]
- “Good” Prints, 1991, [Miscellaneous scientists and engineers at work, equipment]
- Extra Prints, A.R., 1991, [“Flip” ship, miscellaneous scientists and engineers at work, researchers collecting seaweed samples]
- Extra Prints, A.R., 1991, [Miscellaneous scientists and engineers at work, researcher dissecting lobster, “Flip” Ship]

**BOX FOLDER TITLE**

- 2 Proof Sheets, 1991, [Miscellaneous scientists and engineers at work, researcher dissecting lobster, researchers collecting seaweed samples]

Extra Prints, A.R., 1991, [Woman teaching a class, miscellaneous scientists and engineers at work]

Proof Sheets, 1991, ["Flip" ship, miscellaneous scientists and researchers at work]

A.R. Extra Prints, 1992, ["Melville" ship, miscellaneous scientists and engineers at work, equipment, researchers with a trained sea lion]

Xtra Prints, A.R., 1992, ["New Horizon" ship, "Melville" ship, ship crew at work, miscellaneous scientists and engineers at work]

"Good" Prints, A.R., 1992, ["Flip" ship, construction of the pier, children opening a phytoplankton exhibit, krill and fish specimens in jars, aerial view of pier]

Proof Sheets, A.R., 1992, [Miscellaneous scientists at work, Castillo at work, Dr. Largier at work]

Prints, 1994-1995, [Miscellaneous researchers working on a ship, scientists examining rock samples]

- 3 Proof Sheets, 1994-1995, [Miscellaneous scientists at work, "Fishtime" boat, Director council meeting, Dayton at work]

Dru Binney, IMR, A028, [Miscellaneous scientists at work, "Flip" ship, equipment]

R/V Revelle, B/W Negs., Contact Sheets, ["Roger Revelle" ship, various rooms on "Roger Revelle" ship]

AQM. Construction, B/W Proof Sheets, S.I.O. Campus, #6217, [Aerial shots of Aquarium construction site, aquarium construction, pier]

IGPP [Building dedication of the Cecil H. Green Bldg]

Launch, R/V Revelle, B/W Negs., Slides and Proofs, [Construction of "Roger Revelle" ship]

NASA Earth Photos, Aerials of BAS [Birch Aquarium Museum], Negs. of S.I.O., Aerials, #38 – Newton's Papers

Old Prints of S.I.O., [Magnification of Foraminifera and Radiolaria under an scanning-electron microscope, crew of "Melville" ship, installation of hydrophones on "Flip" ship, "Alpha Helix" ship, Old Aquarium building with public]

**BOX FOLDER TITLE**

- 4 Artifacts, U/W, [Artifacts on the sea floor]
- Explorations, [Researchers photographed at work]
- B/W Prints (Good), [Jerome Namias, Ed Goldberg – 1969]
- Color Prints, [Mean Nighttime Surface Temperature – January 1979, WWII Pilot Pocket Handkerchief, “Flip” Ship, Graph of Monthly average Carbon Dioxide Concentration at the Mauna Loa Observatory, Hawaii]
- Sally Ride, Prints and Proofs
- Dukw Photos and Proofs [DUKW, Amphibious DUCK]
- AQM Stuff, [Brochure, Aerial Shots of Aquarium]
- Ships, [“Melville” Ship, “FWS Black Douglas” Ship, “New Horizon” Ship, “Argo” Ship, “Alpha Helix” Ship, “Crest” Ship, “Thomas Washington” Ship, “Scripps” Ship, Aerial View of Docked Ships]
- Ships, [“E.W. Scripps” Ship, “Crest” Ship, “Spencer F. Baird” Ship, “Horizon” Ship, “Paolina” Ship, “Melville” Ship, “New Horizon” Ship, “Flip” Ship, “Thomas Washington” Ship, “Alpha Helix” Ship, “Ellen B. Scripps” Ship, “FWS Black Douglas” Ship, “Hugh M. Smith” Ship, “Argo” Ship, “Oconostota” Ship, Aerial View of Docked Ships]
- Misc., [Northridge Earthquake Damage: Collapsed Overpass, aerial Shots of Buildings along coastline]
- Tsunami, Hilo, Hawaii, [Wave striking Hilo Pier – April 1, 1946]
- 5 People, [Portraits of Hugh Bradner, Ed Goldberg, Don Wilkie, Car Hubbs, William Nierenberg, Doug Inman, Richard Atkinson, Edward Frieman, Claude E. Zobell, Traub Herbarium Plants]
- People, [Queen Elizabeth and Mel Peterson at an SIO exhibit, portrait of Vaughn, miscellaneous researchers at work, public touring “Flip” Ship]
- People, [Queen Elizabeth at an SIO exhibit, Giant Octopus from a University of Michigan zoological expedition, children at tidal exhibit at aquarium]
- People [Queen Elizabeth at an SIO exhibit, Public at an Open House on the “Melville” Ship, Portrait of Munk and Sverdrup, Brian Palenik at work]

**BOX FOLDER TITLE**

- 5 Campus [Aerial shots of pier, aerial shots of aquarium, construction of pier, aerial shots of UCSD campus, SIO building, aquarium building]
- Campus [Aerial shots of coastline, aerial shots of pier, SIO library building, aerial shots of UCSD, aquarium building]
- 6 S.I.O. Photo Lab, Negs., Jim Blattenberger, [Electrical and Mechanical equipment]
- S.I.O. Photo Lab, Negs., Part 1, #6103, Part 2 in File, [Dedication of Scholander Hall]
- S.I.O. Photo Lab, Negs., A, B, C #6117, [People aboard the Argo, commemoration of Dr. Roger Revelle Perpetual Award]
- S.I.O. Photo Lab, Negs., [Portraits: Fung, Paul Jensen, Bill Reidel, Witold Klawe, Schrauzer, Jill, Patrick, Delahoyde, Robert Rhew – September 1999, Catherine Johnson – September 1999, Dave Zawada – September 1999; “Graduate brochure for Dr. Chrispeels, aerial shot of aquarium, Earth, aerial shot of pier]
- Artifacts, U/W, [Seafloor, artifacts on seafloor, deep sea vents]
- Artifacts, U/W, [Recordings from deep sea expedition, seafloor, artifacts on sea floor, Earth’s atmosphere, “SIR-A” vehicle, Portrait of Sverdrup and Walter Munk, University Hospital Life Flight Helicopter]
- Artifacts, U/W, [Deep sea vents, artifacts on seafloor, bioluminescence, aerial shots of coastline and buildings, technology used in deep sea expedition, Traub Herbarium plant]
- Critters, [Sea worm, X-ray of marine shelled organism, krill, octopus, lionfish, abalone]
- 7 S.I.O. Photo Lab, Photos, Misc., [Ceremony for the Argo – August 25, 1991, SIO – 1916, J.B. Sumner – 19030’s, Myrtle Johnson – 1905, SIO children – 1920, Francis B. Sumner with Herbert Sumner at SIO, “Mouse House” and keeper, Ellis Michael, Joe Kline, George Francis McEwen on Alexander Agassiz – 1908, Portrait of Winfred Emory Allen – 1926]
- S.I.O. Photo Lab, Negs., Misc., [120 mm slides: Aerial view of aquarium; 55 mm slides: Aerial shots of buildings; 55 mm slides: Bonner Hall in Revelle College, “B.C.F. (Aerial)”, “I.G.P.P. Berger (Aerial)”, “Melville – Dry Dock”, “La Jolla Cove (Aerial)”, “Muir College Construction (Aerial)”, Pressure chamber; Loose 55 mm slides: Aerial shots of coastline, pier, miscellaneous researchers at work; 55 mm negatives: exhibits on scythe butterfly fish and deep sea oil drilling]

**BOX FOLDER TITLE**

- 7 S.I.O. Photo Lab, Negs., Misc., [Loose 55 mm slides: Miscellaneous scientists and students at work; 55 mm slides: Dr. Kraus, Photo of Roger's Ashes to sea, Negatives: Aerial shots of pier, memento scrapbook to Queen Elizabeth, commemorative statuette to Eastman Kodak Company from SIO, shore proc., ships at port]
- S.I.O. Photo Lab, Negs. MAR FAC COCOR (Marine Facilities), [ships at port]
- S.I.O. Photo Lab, Negs., Misc., [Loose 55 mm shots: miscellaneous scientists at work; 120 mm shots: aerial view of aquarium; Negatives: Aerial shots of pier, Butterfly fish, Bob Burhans, Mary Kay Harper, Osmund Holm – Hansen, Rick Gregg injured from Whale bump, Tom Robinson, divers on boat, "Baird" ship, "Argo" ship, "Mar Fac", "New Horizon" ship]
- S.I.O. Photo Lab, Slides, Misc., [35 mm slides: aerial view of coastline, fish skeleton; 55 mm shot: miscellaneous scientists at work]
- S.I.O. Photo Lab, Slides, Misc., [55 mm slides: "Melville – Dry Dock", Aerial of SIO before new pier, Shark Jaw with Samantha; 35 mm slides: "Bering Sea, Phase II", "Med Center Construction (aerials)", John Miles, Coffee Bean Courey]
- 8 Slides (Including Glass Plate) and Negatives, [35 mm slides: Miscellaneous scientists and researchers working, photographs from A.R. 1991; 35 mm slides: Clouds; 35 mm slides: Last day of old pier – March 1988; 60 mm film: aerial shots of pier; 55 mm slides: Charles Keeling and Son – May 25, 1989; 80 mm film: aerial of pier; 35 mm slides: R/V Washington; Film: coastline; Film: children at aquarium]
- 9 Slides, [35 mm slides: "Xtra Slides" Pier Opening Ceremony – 1988, public on pier, pier at sunset, construction of pier; 35 mm slides: "Rosenblatt, R.V. Sprout Student Cruise Extra Slides – April 1993"; 55 mm slides: "Pier 1,2,3" Demolition and construction of pier; 55 mm slides: Miscellaneous scientists and engineers working]
- 10 Slides (Including Glass Plate) and Negatives, [35 mm slides: "Xtras Cecil Green" – January 1994, 55 mm slides: Aerial view of coastline and pier, 35 mm slides: "Extra's T. Washington coming into port" – August 1989, 35 mm slides: " Tektite, II Press Conference, Ann Hartline and Alina Szmant" – March 9, 1970; Film: Coastline; 150 mm film: Aerial view of pier; 55 mm slides: Octopus, fish, starfish, woman studying coral, researcher analyzing fish specimen; 55 mm slides: "New Horizon" ship, "Flip" ship, ship equipment, aerial view of SIO and pier; 24 x 57 mm slides: ships at port]
- Misc. Black and White Photographs (1905-1930)
