

EDP Sciences' Electronic Journals Subscription Agreement

Terms and Conditions

1. Scope of Agreement

This Agreement between EDP Sciences and the Subscribing Institution grants the Subscribing Institution a nonexclusive, revocable, nontransferable License to access the online version of the journal(s) published by EDP Sciences and to which the Subscribing Institution has subscribed, over the Internet via the Subscribing Institution's Internet Protocol addresses (IP addresses). Authorized Users must be employees, faculty, staff, and students officially affiliated with the Subscribing Institution and authorized clients of the Subscribing Institution's library facilities. Authorized Users includes persons affiliated with remote sites or campuses of the Subscribing Institution that are administered from the Subscribing Institution's site or campus.

This License grants Authorized Users permission to access EDP Sciences' electronic journals and:

- make *searches* of the subscribed journals.
- make *one hard copy* of the output of any search; such copies may be shared with nonauthorized users to the same extent as the print edition, provided such sharing is for the purpose of scholarly communication or educational use and there are no commercial benefits. Authorized Users who do print articles must maintain all copyright and other notices on the print articles.
- *download* search results to hard disk or diskette. Authorized Users who download articles must maintain all copyright and other notices on the print articles.

An Authorized User may not make EDP Sciences' electronic journals available electronically to anyone other than another Authorized User, whether by telephone link or computer, or by any other means or arrangement.

This Agreement is enforceable only against and by the parties who have executed it. The Subscribing Institution shall take appropriate action should it become aware of any misuse that would violate the terms of this agreement.

2. Duration - Termination

This Agreement will have the same duration as the subscription (including renewals) to the journal(s) subscribed to by the Subscribing Institution, subject to the subscription rates being paid on due date. Either party may terminate this Agreement, effective on the next renewal date, by at least 30 days written notice to the other party.

EDP Sciences may suspend or terminate this agreement without prior notice if the Subscribing Institution or its Authorized Users commit a breach which is capable of remedy and that breach is not remedied within 10 days of written notice to do so from EDP Sciences.

3. Delivery

EDP Sciences' electronic journals will be delivered in the standard Internet formats using HTML and Adobe Acrobat PDF format. EDP Sciences reserves the right to change formats with three months notice. It is the responsibility of the Subscribing Institution and Authorized Users to establish and maintain Internet connections to EDP Sciences, to provide and install suitable Web browsers, licenses for Adobe Acrobat, and any other required software.
