

## Terms and Conditions

### 1. Scope of License.

**Institutional Purchaser/Subscriber Use Restrictions:** The license includes authorization of access by means of the Institution's IP addresses to allow site-wide online access by authorized users via multiple connections. If a proxy server is being registered for access, the Institution agrees to maintain the security of the access by authenticating authorized users before allowing use of the proxy to any remote or on-site user. "Authorized users" are employees, faculty, staff, or students officially affiliated with the Institution, and authorized on-site patrons of the Institution's library facilities. (Sites may be academic or nonacademic. For academic institutions, different campuses are considered different sites even if they are within the same city. Departments or libraries of the same campus are considered part of the same site. For nonacademic institutions, sites are defined as geographically separate units, even if they are within the same city. Each branch, office, or laboratory is a different site.)

**Interlibrary Loan:** Institutions may use copies of chapters or articles derived from the electronic edition of the publications for the purpose of interlibrary loan with the same limitations that apply to copies for that purpose made from the print edition of the books. Specifically, copies must be made in compliance with Section 108 of the Copyright Act of the U.S. and be within the CONTU Guidelines. Authorized users must maintain all copyright and other notices on the copied material.

Electronic transmission of content is allowed unless, as a purpose or effect of such, the library receiving such copies does so in such quantities as to substitute for a subscription or purchase. Interlibrary loans are restricted to academic libraries for educational purposes.

Automated searching or downloading by use of scripted searches, robots, spiders, crawlers, or otherwise, is prohibited.

An authorized user may not make the electronic version of the book(s) available to anyone other than another authorized user, whether by telephone link or by permitting access through his or her terminal or computer, or by other similar or dissimilar means or arrangements.

The Institution will make reasonable efforts to maintain security and monitor all use (including unauthorized use) from its respective site and to communicate the terms of the license to their users.

Authorized users will be bound by the limitations stated in any copyright statement or terms of use posted from time to time on the publisher's website, except to the extent (if any) that such provisions may be inconsistent with the express terms of this license.

2. **Access.** The license includes perpetual access on the AMS server for the year(s) subscribed to and backfile(s) purchased.

### 3. Term and Fees.

**Annual Subscription:** This Agreement will last through the end of the calendar year in which the subscription first becomes effective. This

Agreement is signed and will remain in effect thereafter for successive calendar years so long as annual subscription fees are paid. Either party may terminate this Agreement, effective on the next renewal date, by at least 30 days' written notice to the other party. The annual fee for this subscription may be raised by written notice to the subscriber, given at least three months prior to the next succeeding renewal date. The fee for each year this Agreement is renewed must be paid on or before the renewal date or the renewal will be invalid. The subscriber will maintain perpetual access to the years subscribed to on the AMS website in perpetuity at no additional cost.

**Backfile Purchase:** This Agreement will remain in effect in perpetuity, i.e., perpetual access to back titles purchased on the AMS web site. There will be no additional fees once purchase is made.

4. **Support.** AMS eBooks include online documentation. In addition, the AMS will provide the Institution with email and/or telephone support service during the AMS's normal business hours (Monday-Friday, 9:00 a.m. to 4:00 p.m., ET). The email address for technical support is [eprod-support@ams.org](mailto:eprod-support@ams.org); the telephone number for support is 800-321-4267.
5. **Copyright.** AMS eBooks and their contents are subject to copyright, database protection, and other rights of the publisher (AMS) under the laws of the United States and the country of use.  
The Institution acknowledges that it has no claim to ownership by reason of its use of or access to AMS eBooks. Downloading of data is permitted solely for the Institution's internal use to the same extent as the printed version of the publication. Recompiling, publication, or republication of the data, or any portion thereof, in any form or medium whatsoever, may be done only with specific written permission from the AMS ([reprint-permission@ams.org](mailto:reprint-permission@ams.org)).
6. **Suspension or termination of access.** The AMS reserves the right to suspend and/or terminate access to AMS eBooks without prior notice if the Institution or its authorized users violate any term of this Agreement. Any use of AMS eBooks beyond the scope of the License or any fraudulent, abusive, or otherwise illegal activities may be grounds for termination of access.
7. **Disclaimer of Warranties.**
  - a. The AMS has made and will make good faith efforts to ensure that AMS eBooks are complete and accurate. However, the AMS does not warrant completeness or accuracy, and does not warrant that the Institution's use of AMS eBooks will be uninterrupted or error-free, or that the results obtained will be useful or will satisfy the Institution's requirements.
  - b. The AMS warrants that it is entitled to grant the licenses outlined in this Agreement, but makes no other warranties or representations of any kind, expressed or implied, including but not limited to warranties of merchantability or fitness for a particular purpose.
  - c. The Institution will be permitted to access AMS eBooks at any time. The AMS will not be liable for any delay, down time, or other failure of performance, but will use reasonable efforts to correct any performance problem brought to its attention.
  - d. The AMS will not be responsible for incidental, consequential, or any other damages arising out of or in connection with the service

or materials provided hereunder.

- e. The AMS shall indemnify, and hold Institution and Authorized Users harmless for any losses, claims, damages, awards, penalties, or injuries incurred, including reasonable attorney's fees, which arise from any claim by any third party of an alleged infringement of any copyright or any other proprietary right arising out of the use of the Licensed Materials by the Licensee or any Authorized User. NO LIMITATION OF LIABILITY SET FORTH ELSEWHERE IN THIS AGREEMENT IS APPLICABLE TO THIS INDEMNIFICATION.

Each party shall indemnify and hold the other harmless for any losses, claims, damages, awards, penalties, or injuries incurred, including reasonable attorney's fees, which arise from any alleged breach of such indemnifying party's representations and warranties made under this Agreement, provided that the indemnifying party is promptly notified of any such claims. The indemnifying party shall have the right to defend such claims at its own expense. The other party shall provide assistance in investigating and defending such claims as the indemnifying party may reasonably request and have the right to participate in the defense at its own expense.

## **8. General.**

- a. This Agreement constitutes the entire agreement of the parties and supersedes any prior communication between the parties with respect to the subject matter hereof. Only a written instrument signed by both parties may amend it. Without limitation of the foregoing, any purchase order or other instrument that the Institution may issue for AMS eBooks is for the Institution's internal purposes only and will in no way modify, add to, or subtract from the terms and conditions provided herein.
- b. The Institution may not assign or transfer its rights under this Agreement.
