**COMMITTEE UPDATES:**

**Research & Professional Development**

They will sponsor the ARL CEP Presentations on August 10<sup>th</sup>. Stay tuned for more details.

An IRB Guidelines document was drafted but never posted. The Committee will follow up with Admin Team to get clarification on the issue of PIs, and then document the decision.

**Mentoring**

Planning Summer Panels in July that will be advertised to local area library school students:

Job Search Skills: July 22, 1-2:30 (Seuss Room)

Catherine Friedman -- AUL perspective: resumes, interviewing

Sue McGuinness -- PD perspective: resumes, interviewing

Talitha Matlin (from CSU San Marcos) -- networking, interviewing tips & tricks, how to stand out

Adele Barsh -- selling transferable skills, negotiating salaries

Professional Development: July 30, 1-2:30 (Seuss Room)

Peter Rolla -- national associations

Susan Shepherd -- regional associations

Gayatri Singh -- internal/campus committees

Harold Colson -- addressing committee work on academic reviews

**Diversity**

Given that Admin approved the creation of a Library-wide Diversity Committee, LAUC-SD Exec and LAUC-SD Diversity will play a role in helping determine the charge, make-up, etc. of this new group, but it is unclear to me at this time what that role, or what the process will be. Hope to know more soon.

The winner of the LAUC-SD Diversity-sponsored registration to ALA is Ruby Loreda. She was able to supplement this with travel money to support her travel and lodging through Library Travel Funds. The idea was well-received, but the timing was a little off, with the Library Travel Funds offer going out very close to ours, and decisions being made simultaneously. This could be better coordinated in the future, perhaps by sending our offer sooner.

The June event (celebrated in late May) “Journey to Juneteenth,” an author talk and reading by local author Tamara Carson, was a success with visitors from the library, campus, and beyond attending this lively, engaging, and educational event. There will be no further event in June.

The July event was the ARL CEP Fellows Welcome Reception/Potluck, set for July 2 from 11:30-1. It was well attended.

## **CAPA**

The Academic Review season is officially over! A recap meeting is scheduled where they will review survey and get that sent to the membership. They’re still reviewing appointment files as they come in. They’re starting to schedule meetings for the ARPM review. There will be two debriefs scheduled for outgoing/incoming CAPA members. They will select a chair this summer. The two members staying on are Annelise Sklar and Teri Vogel.
