

Sample Letter Requesting Store Cooperation With Schenley Boycott c. 1966

To Whom It May Concern:

We are in sympathy with the needs of striking grape workers in Delano, California, and we would like to cooperate with the Delano Boycott Committee of San Jose.

We understand that the grape workers have been trying to begin negotiations with the growers since early September, 1965. We hope that our action will speed bargaining talks and conciliation of the difference between the workers and the growers of the Delano strike area.

We wish to maintain the good will of the community by respecting their requests to refrain from stocking the following products until the agricultural dispute is settled:
