Important Meeting

WHEN: July 15, 1975, 8:00 P.M.

WHERE: Delano High School Auditorium
NE Corner of Cecil & Norwalk
Delano, California

why?

On July 15, 1975, the Teamsters Farm Workers Union, Local No. 1973, will hold the first general membership meeting for Delano area members.

One of the most important items on the agenda for this meeting will be a report on the results of our negotiations with employers under the Western Agricultural Master Agreement. This agreement covers the produce workers, and the current contract will expire on July 15, 1975. The results of these negotiations are very important to you as this Agreement has been used as a guideline in the past in establishing wage rates, benefits and working conditions in your various grape agreements.

Several other important matters will also be discussed. Among them will be the new state farm labor law and upcoming elections, grievance and arbitration procedures, and general discussion regarding your Teamster benefits and services.

At the meeting's end, there will be a raffle. Teamster jackets and belt buckles will go to the winners.

REMEMBER!! Only your participation in Union activities will insure that you have a good, working Union!

SEE YOU AT THE MEETING!!
