

STOP THE

Thousands of farmworkers, members of the United Farm Workers, AFL-CIO, are now on strike. They are struggling for better working conditions, a living wage, and the right to freely determine the union of their choice. Their success depends on our support, which we can give by boycotting all non-UFW iceberg lettuce, table grapes, and Franzia, Guild, and Gallo wines. The boycott has been endorsed by the AFL-CIO Executive Council, the United Auto Workers, the United Steel Workers of America, the National Conference of Catholic Bishops, the United Church of Christ, and local labor and religious leaders across the country. Please give it your support, too, and help the farmworkers secure the basic rights which most American workers now enjoy.

How do you feel about injustice?

"The boycott is the way we take our cause to the public. For surely if we cannot find justice in the courts of rural California, we will find support with our brothers and sisters throughout the nation."

-Cesar Chavez

WHAT WE CAN DO

Please boycott all non-UFW table grapes, iceberg lettuce, and Franzia, Guild, and Gallo. Help out by contributing your time or money to the boycott effort. The UFW is a struggling union, badly strapped for funds and volunteers. Any contribution you can make will be greatly appreciated.
