4- FRANCHISE LIFE INSURANCE PLAN - Patricia Steele, Ass't. to the Pres.

Leaflets describing the above plan have been circulated to the schools. The plan is underwritten by Imperial Life and offers amounts of life insurance and accidental death and dismemberment to a maximum of \$100,000. Enrolment forms, which should be returned to the PAPT office, will be found in the leaflets. The deadline for enrolment is November 30th, 1974. The plan was negotiated by the PAPT Group Insurance Committee following inquiries by a number of our members, in order to provide large amounts of life insurance in a period of rising inflation and decreasing purchasing power. Our original Imperial Life plan remains in operation and the new plan is intended to offer ADDITIONAL insurance to those who already have policies and large amounts of coverage for those who do not presently carry any life insurance.
