

Mr. Thomas Noonan
Vice President for Public Relations
A&P
420 Lexington Avenue
New York, New York 10017

Dear Mr. Noonan:

I support the United Farm Workers Union grape and lettuce boycott. I will not eat grapes or lettuce unless I see the Farm Workers Aztec eagle on the label.

A&P has been selling boycotted produce. By refusing to cooperate with the boycott A&P exploits poor farm workers. I strongly urge you to carry only United Farm Workers Union grapes and lettuce, or none at all.
