

Our goal is a national union of the poor
dedicated to world peace & to serving
the needs of all men who suffer.

CESAR CHAVEZ

*At Christmas we remember the
birth of Christ, the Prince of Peace.
Christ taught that without justice
there can be no peace. Until every
person lives in dignity, none of us
can live in peace.*

*Help us obtain justice for the
farm worker. Call your local
United Farm Worker office or
write me to see how you can help.*

¡Nosotros venceremos!
