This concerns a limited civil rights investigation being conducted by our Sacramento Division, pursuant to a Departmental request, into alleged break-ins of United Farm Worker's Offices and an attempt by one Fred Schwartz to sell documents taken during these break-ins to the United Farm Workers (UFW) for a sum of $35,000.

The attached advises Charles Schwartz met with UFW Chief Counsel Jerry Cohen at Bakersfield, California, 3/31/74 and offered now to sell certain documents for a total of $25,000. Documents allegedly taken during course of 16 break-ins which occurred during 1966 - 1970, and have been in possession of House Un-American Activities Committee in past. Schwartz named three major California growers as having hired individuals to do break-ins and indicated documents taken were periodically reviewed by military intelligence and other unknown agencies. Schwartz claimed two persons currently being paid "hush money", one in Mexico and one in Spain and that periodically agents of Army Intelligence or CIA send money to these two individuals through one of the three California growers. Schwartz refused Cohen close examination any documents but told Cohen he was a former policeman and desired to write a book about matter. Cohen declined to pay Schwartz for documents.

This matter will be discussed with the Department at which time it will be determined whether dissemination of this information should be made to CIA and Army Intelligence.

Synopsis:
JERRY COHEN, Chief Counsel, United Farm Workers (UFW) Keene, Calif., advised he held prearranged meeting with one FRED SCHWARTZ, 3/25/74, at Bakersfield, Calif. SCHWARTZ claimed to have documents taken in robberies by his informants at direction of two California growers, which would be of interest to UFW, and which he offered to sell COHEN for $35,000. Another meeting between COHEN and SCHWARTZ took place at Bakersfield, 3/31/74, and was observed by Buagents. SCHWARTZ was photographed at this meeting and later identified as subject JEROME JOSEPH DUCOTE, white male, dob 6/28/29, Gulfport, Mississippi, resident 1528 Hanchette, San Jose, Calif. At this time subject lowered his price to $25,000 and named three California growers allegedly involved in this matter. On 4/1/74, subject telephoned COHEN and asked for $600 to $1,000 immediate cash which he said was needed for bail. On same date subject telephonically contacted the FBI Office Bakersfield, Calif., under name SCHWARTZ, and said he would submit to interview 4/4/74. Subject was contacted at Bakersfield, 4/2/74, by Buagents and stated he had been in business of gathering intelligence for certain California growers re UFW activities, that he is in debt for $20,000, and that he expects criminal charges to be filed against him. He

would not elaborate until he could confer with attorney. On 4/3/74, and 4/8/74, subject telephonically contacted FBI Bakersfield, and said he would appear for interview as soon as he receives approval from his attorney, HAL CHAPMAN. Contact with Santa Clara County California District Attorney's Office, revealed subject borrowed money from several people in San Jose area telling lenders he was raising money to pay farm workers in order to back up union. Criminal charges maybe filed against subject by that office. It was also learned that CHAPMAN supposedly not retained as subject's attorney.

DETAILS:

The following are the results of a limited investigation.

By letter dated March 28, 1974, from J. STANLEY POTINGER, Assistant Attorney General, Civil Rights Division, to the Director of the FBI, the following background information and instructions were received:
On Wednesday, March 27, 1974, this Division was contacted telephonically by JERRY COHEN, counsel in California for the United Farm Workers Union, telephone 805 822-5571. COHEN related that he had been contacted by a person who provided the fictitious name of "FRED SCHWARTZ". SCHWARTZ purported to have information that three people had broken into various United Farm Worker Union offices in California, as well as the offices of other organizations assisting the United Farm Workers Union and their activities, including SNCC and the Saul Alinsky Organization. COHEN received the impression that SCHWARTZ was an attorney and was representing one of persons responsible for the break-ins. SCHWARTZ wanted $35,000 for evidence he would provide linking numerous California growers to these break-ins. COHEN met with SCHWARTZ on Monday, March 25, 1974, in Bakersfield, to discuss the matter further. SCHWARTZ provided COHEN with brief glimpses of materials in his possession purporting to have been seized from offices broken into. SCHWARTZ also provided a list of such places, including a United Farm Workers Union office in Delano, called Filipino Hall. COHEN related that Filipino Hall was in fact the object of an armed robbery last year and that the crime had never been solved. Among the materials taken at that time were financial records of the union and records relating to certain of their activities covered by the Norris-LaGuardia Labor Act. SCHWARTZ further related that there were checks in existence which would establish a financial link between the alleged thieves and the growers. COHEN further related that SCHWARTZ was extremely anxious to raise the $35,000, as his "client" was supposed to be charged this week with fraud by unknown prosecuting authorities. As the above information indicates a possible violation of Title 18, U.S.C. 241 involving interference with the rights of United Farm Worker Union members and workers under the Norris-LaGuardia Labor Act, please conduct the following limited investigation:
Interview Attorney JERRY COHEN for full details of his contacts to date with FRED SCHWARTZ. In the event SCHWARTZ recontacts COHEN, which COHEN feels is inevitable, arrange with COHEN to be informed of the location of the meeting to take place between COHEN and SCHWARTZ. Establish a surveillance of that meeting and attempt to ascertain the identity of SCHWARTZ. Following the meeting please reinterview COHEN for full details of the conversation. Assuming SCHWARTZ can be identified by photographs, fingerprints or in some other manner, please inform this Division of the results of the interview with COHEN and the identification of SCHWARTZ in order for us to determine what further investigation, if any, is warranted. Also, please do not inform local law enforcement authorities of the meeting between COHEN and SCHWARTZ at this time.
JERRY COHEN, Chief Counsel, United Farm Workers (UFW), Keene, California, was contacted during the morning of March 28, 1974, and furnished the following information:

On Thursday, March 21, 1974, he received a telephone call from a male individual who said "You will know me as FRED SCHWARTZ" and indicated he was from San Francisco, California. SCHWARTZ said he had some valuable information to sell concerning break-ins of UFW offices, churches, the Student Non-Violent Coordinating Committee (SNCC), and certain individual residences. A meeting was scheduled for 3:00 p.m. March 25, 1974, at the Hilton Hotel Bar in Bakersfield, California, and SCHWARTZ told him to "come alone".

On Monday, March 25, 1974, at about 3:00 p.m. he met SCHWARTZ at the Hilton Bar in Bakersfield, he (COHEN) was accompanied by a friend, DAN LAVERY, an American Civil Liberties Union attorney who resides at 307 Jeffrey Street, Bakersfield. LAVERY was not introduced to SCHWARTZ as his friend, but merely preceded him, COHEN, into the bar, to act as a witness. At this meeting SCHWARTZ had in his possession a file or folder approximately one inch thick which he said contained stolen UFW or UFW related documents. SCHWARTZ advised that these documents and papers were a sample of others that were accessible to him which were taken in connection with various "robberies" or "from inside" UFW by an informant, all at the direction of two California growers. SCHWARTZ made the statement that he represented a man who is to be indicted on March 29, 1974, for fraud, no city or state mentioned, and he, SCHWARTZ, owed this man a favor. At times SCHWARTZ referred to the man as his client, the thief, and at other times he mentioned his clients, indicating more than one person.
SCHWARTZ exhibited to him a hand written list of targets of past "robberies", which list was written on yellow lined paper. COHEN recalled the following names from this list:

The Student Non Violent Coordination Committee (SNCC) San Francisco, California

Filipino Hall, Delano, California, (this hall was the victim of an armed robbery during about 1968, at which time some UFW papers and documents were stolen)

A Catholic Church office, city or state not recalled.
SCHWARTZ then handed him two small date-calendar books, which contained the name [redacted]. He attempted to review these books but they were retrieved by SCHWARTZ before he could examine them for authenticity.

He recalls that during about 1965 a UFW building called the "Pink Building" was burglarized in Delano, and some Community Services Organization (CSO) files were stolen. [redacted] was associated with CSO and UFW at that time and SCHWARTZ allowed him to examine a letter from [redacted] to UFW Director CESAR ESTRADA CHAVEZ, dated either 1965 or 1966. He was also allowed to examine a few other un-recalled documents, however, the items he was permitted to review appeared to contain innocuous information.

SCHWARTZ said that the documents he had in his possession and others were stolen (dates not mentioned) in various "robberies" and that these crimes were committed at the direction of two California farmers, one a large grape grower in Delano and [redacted].

SCHWARTZ repeated that he represented an individual who was to be indicted for fraud on March 29, 1974, and needed $25,000 to get out of trouble. SCHWARTZ said he was asking $35,000 from UFW for all of the documents and information available to him. He said the extra $10,000 would be split between unidentified persons.

COHEN said he told SCHWARTZ that he had no intention of buying stolen UFW property. He left SCHWARTZ with the impression that UFW would not pay him any money.
and that if he felt that a crime had been committed he, COHEN, might report the matter to the proper authorities.

The entire conversation with SCHWARTZ consumed approximately fifteen to twenty minutes. There was no attempt at extortion by SCHWARTZ.

He recalls the following additional information in connection with his contact with SCHWARTZ:

SCHWARTZ said that he was aware of the material in his possession and was using this information for political gain, but gave no more specific information concerning this particular matter.

SCHWARTZ also mentioned the California Council of Growers, but did not give any specific information concerning whether or not this organization was involved in the matter at hand.

SCHWARTZ claimed he had approached an unnamed Delano grower with a proposition to sell information, but was rejected. SCHWARTZ further advised that he planned next to contact [REDACTED] in an attempt to peddle his information.

SCHWARTZ drank sherry wine and chain smoked Camel cigerettes during their conversation. He recalls that at one point SCHWARTZ called the Hilton bartender "FRENCHIE".

When he left FRED SCHWARTZ this individual said "This is the last time that you'll see me" and indicated that his client, the man who stole the documents from UFW
and other locations, would possibly desire to meet him, COHEN. SCHWARTZ said that he would contact him, COHEN, telephonically on or about March 29, 1974, to arrange for a meeting between COHEN and his client.

COHEN said he is willing to accept any offers of another meeting and advised he would immediately contact the FBI if any additional such meetings are suggested. He said FRED SCHWARTZ is unknown to him by sight or name, but he feels positive he could identify this man by personal observation or photograph.

COHEN described FRED SCHWARTZ as follows:

COHEN said he has been in contact with these contacts being by telephone during March 26 and March 27, 1974. He said he acknowledged he had received a telephone call from SCHWARTZ.

During the afternoon of March 28, 1974, COHEN telephonically furnished the following information:
Several hours after the above interview was completed, \_\_\_\_\_\_\_ was telephonically advised him that he had met FRED SCHWARTZ in Burlingame, California, and that SCHWARTZ had told him \_\_\_\_\_\_\_\_\_\_\_ was advised to call the FBI in Bakersfield with the information, but stated that at the present time he intended to travel to San Jose, to personally investigate the matter.
JERRY COHEN, Chief Counsel, United Farm Workers Union, Keene, California, telephonically advised that he had received a telephone call from FRED SCHWARTZ who requested COHEN meet him at The Ramada Inn Coffee Shop at Bakersfield, California at 3:30 P.M., March 31, 1974.
On March 31, 1974, a physical surveillance was conducted in the Coffee Shop of the Ramada Inn, and immediate vicinity, 2620 Pierce Kord, Bakersfield, California, and the following was noted:

At 3:26 P.M., JERRY COHEN, Chief Counsel, United Farm Workers Union, entered the Coffee Shop through the west door. At 3:34 P.M., a white male, age 45-50, 6 feet 1 inch to 2 inches, 215 - 220 pounds, grey hair, wearing a black sweater vest, polka dot shirt, carrying a dark colored briefcase, entered the same door and met with Cohen. They talked until Cohen left at 4:12 P.M. At 4:16 P.M., the unknown man who was with Cohen, left the Coffee Shop through the motel exit, walked approximately 40 feet south and drove away in a 1974 brown Buick, California license 316 JAI. He proceeded directly to The Hilton Inn, 3555 Rosedale Highway, Bakersfield, arriving there at 4:21 P.M., March 31, 1974.

This unknown man was photographed from a concealed position approximately 100 feet away by Special Agent as he entered and exited the Ramada Inn Coffee Shop.
The following are two of the photographs taken of the man who met with Cohen as discussed above (this person was later identified as JEROME JOSEPH DUCOTÉ):
A check of room registration cards at the Hilton Inn, 3535 Rosedale Highway, determined the following information:

On March 30, 1974, a JERRY DUCOTE, 1528 Hanchett, San Jose, California, registered at the Hilton Inn, Room 240, registration card number 33699. The card showed a vehicle as a 1974 Appollo, California license 816-JZH, and a firm as St. Dismas Publishing. DUCOTE checked in at 10:56 A.M. and indicated he was checking out on April 1, 1974. Only one person was indicated on the registration card.
Records of the Department of Motor Vehicles (D.M.V.), Sacramento, California, were caused to be reviewed on March 31, 1974 and revealed that California automobile license...
JERRY COHEN, Chief Counsel, United Farm Workers (UFW) of Keene, California, was interviewed at 307 Jeffrey, Bakersfield, California, during the afternoon and advised as follows:

He met FRED SCHWARTZ at the Ramada Inn Coffee Shop on Pierce Road, Bakersfield, at about 3:30 P.M. and held an approximate 40 minute conversation with this individual. At this meeting SCHWARTZ furnished the following information:

The price of the documents was lowered to $25,000. The papers in question were taken in 16 separate break-ins of UFW offices, and other organizations and residences during 1966-1969 and possibly including 1970. These documents were in possession of the House Un-American Activities Committee for two weeks at sometime in the past and have been reviewed periodically by the Military Intelligence during 1966 through 1970, as well as other unknown agencies.

SCHWARTZ named [redacted] as having hired break-ins.
He is disenchanted with his former associates, who were not identified. This appears to be one of the rationalizations he is using to justify turning against such associates. He also mentioned that he had aspirations of writing a book concerning this matter.

He claimed there are two persons who are still being paid "hush money" by the growers, one in Mexico and one in Spain, and that periodically an Agent of the Army Intelligence or the "CIA" approaches for additional money for these two individuals.

SCHWARTZ further advised COHEN that he was a former policeman. He would not allow COHEN to closely examine any of the documents discussed.

COHEN said he told SCHWARTZ that insofar as he is concerned UFW would not pay for the documents. SCHWARTZ asked him to confer with the UFW board and he would be in contact later. COHEN said he would advise UFW Director CESAR CHAVEZ of the matter.

On the evening of March 31, 1974, COHEN advised as follows:

SCHWARTZ telephoned him at about 8:30 P.M., March 31, 1974, for a final decision from UFW. He told SCHWARTZ that the UFW Board had decided not to pay
any money in connection with this matter. He further
told SCHWARTZ that he had communicated with the Civil
Rights Division of the United States Department of
Justice who advised him to tell SCHWARTZ to contact
the FBI at Bakersfield concerning the documents.
COHEN said he told SCHWARTZ to contact Special Agent
[redacted] at the Bakersfield FBI Office and
furnished SCHWARTZ the telephone number of that office.
SCHWARTZ indicated he would contact the FBI on April 1,
1974.

COHEN said he had been in telephone contact
with [redacted] and [redacted] and told
him no payments would be made [redacted].
JERRY COHEN, Chief Counsel, United Farm Workers, (UFW) Keene, California telephonically stated that at approximately 3:00 P.M., April 1, 1974, he received a telephone call from FRED SCHWARTZ who advised as follows:

He needs immediate cash for bail of between $600 - $1,000 and in return is willing to sign a statement implicating certain California growers in 16 burglaries. He indicated bond was between $6,000 - $10,000 and said "we need bail bad." SCHWARTZ said he contacted an attorney "up north" who told him other matters should be resolved before contact with the FBI.

SCHWARTZ sounded very desperate during the conversation. He mentioned that one of the persons involved in the burglaries had nine children.

COHEN said he had conferred with UFW Director, CESAR CHAVEZ concerning what course to take and CESAR told him to "ask the FBI." COHEN said that he had recommended no money whatsoever be paid SCHWARTZ. COHEN expects another contact by SCHWARTZ and feels that SCHWARTZ will desire to meet him again on April 2, 1974 to attempt to persuade him to pay UFW money for information. It appeared from the conversation that SCHWARTZ was still in the Bakersfield area.
At 4:20 P.M., April 1, 1974, an individual who identified himself as FRED SCHWARTZ telephonically contacted Special Agent [Redacted] at the Bakersfield Office of the FBI and advised as follows:

He has been in contact with JERRY COHEN and COHEN told him he had talked to Senator's KENNEDY's Office who would make arrangements for him, SCHWARTZ, to furnish information to the FBI. He declined to discuss the matter on the telephone and made an appointment to appear in the FBI Office, Bakersfield, at 9:30 A.M., April 4, 1974.
Arrigo Farms is located at 706 Market Street, Salinas, California. It is a produce company primarily involved in lettuce. The company, telephone number is (405) 424-3939, has been established in Salinas for a long time and is formerly associated with the United Farm Workers. Insofar as a union is concerned.

On April 2, 1974, instructions were received at the department requesting immediate interview be conducted of Fred Schwartz and or Jerry Ducote and in order to ascertain full details surrounding their involvement in this matter. It was further advised that no attempt should be made to interview and that no contact should be made with the unless necessary to do so to locate one of those individuals to be interviewed.

INQUIRY FROM CONGRESSMAN DON EDWARDS (D-CAL.), CHAIRMAN, SUBCOMMITTEE ON CIVIL AND CONSTITUTIONAL RIGHTS OF THE HOUSE COMMITTEE ON THE JUDICIARY

On 1/6/75, Alan Parker, Chief Counsel, House Subcommittee on Civil and Constitutional Rights of the Committee on the Judiciary telephonically contacted Inspector John B. Hotis regarding allegations made by Joseph Jerome Ducote to the effect that he had committed political burglaries on behalf of the FBI.

This matter has received considerable press attention in California, and Congressman Edwards has expressed an interest in these allegations. Edwards has posed several questions concerning Ducote's association with the FBI including the following:

1. Was Ducote an informant for the FBI?
2. Has he been interviewed by the FBI?
3. Has the FBI received any information from Ducote obtained from illegal activities?
4. Does the FBI evaluate the source of and the information offered?
5. If information obtained illegally is offered to the FBI, is an investigation instituted, and are proper authorities notified?

Congressman Edwards is leaving for California on 1/10/76 and has requested an oral briefing on 1/9/76 so that he may answer inquiries he may receive while in California.

Joseph Jerome Ducote is the subject of the case entailed, JEROME JEROME DUCOTE, aka, UNITED FARM WORKERS, KERN, California-- Victim 00 Sacramento-- Bu File 44-60006.

Investigation instituted 3/27/74 revealed that DUCOTE, using name FRED SCHWARTZ, contacted attorney for United Farm Workers (UFW) and offered to sell documents obtained in burglaries from UFW office for $55,000. DUCOTE was to furnish evidence linking burglaries to numerous California Growers.

Upon completion of our investigation, the USDJ advised that no Federal Violation existed, and that information should be made available to appropriate local authorities.

Our investigation to date does not indicate there is any substance to the allegation, however, this investigation is still pending. This information is contained in the case entitled JOSEPH JEROME DUCOTE, aka et. al.-- Information Concerning. See Bu File 62-116783.

Mr. Parker was advised on 1/6/76 that there is a pending investigation concerning DUCOTE, and that a briefing concerning the details of the investigation is not possible at this time.

Mr. Parker advised that a formal letter would be directed to the Bureau posing certain questions concerning this matter. He further advised that he was forwarding to the Office of Congressional Affairs, newspaper articles and a 93-page statement allegedly given by DUCOTE to State authorities.

RE: JOSEPH JEROME DUCOTE, AKA

NOTE: This confirms conversation between Departmental Attorney William L. Gardner and SA John S. Giaquinto, wherein Mr. Gardner advised that he had no objection to FD-302s and memoranda setting forth results of Bureau contacts with subject, Ducote and his associates, being disseminated to the Santa Clara Prosecutors Office, as well as the California State Attorney General for their prosecutive assistance.
Mr. Gallagher

J. S. Peelman

JOSEPH JEROME DUCOTE, Also Known as Jerry Ducote, Fred Schwartz;
HENRY GEORGE SCHERLING
INFORMATION CONCERNING

PURPOSE: To advise of the status of an investigation instituted to resolve reported allegations that Joseph Jerome Ducote burglarized at the direction of the FBI and gave copies of the materials stolen to the FBI.

BACKGROUND: You were previously advised in a J. S. Peelman to Mr. Gallagher memorandum dated 12/22/75, that in March, 1974, the Civil Rights Division (CRD), U. S. Department of Justice (USDJ), requested investigation of repeated break-ins of United Farm Workers (UFW) offices in California between 1966 and 1970, in possible violation of Title 18, U. S. Code, Section 241, involving a conspiracy to deny UFW rights guaranteed by labor law statutes. The investigation centered around an individual identified as Joseph Jerome Ducote, known as a con man and a former deputy sheriff, Santa Clara County, California.

Upon completion of our investigation, the USDJ advised that no Federal violation existed and that information should be made available to appropriate local authorities. Said information was disseminated by our Sacramento Division to the Chief of Police (COP), Delano, California, Police Department, and Kern County Sheriff's Office, June, 1974.

On 11/24/75, John M. Lilly, Special Agent, Bureau of Investigation, State of California, advised SA Malcolm E. Sample of the San Jose Resident Agency that during the approximate period 1967 - 1968, Ducote committed several politically oriented burglaries, including the San Jose Peace Center. According to Lilly, Ducote committed the burglaries at the direction of the FBI and gave copies of the stolen materials to both the FBI and Western Research of Oakland, California. Lilly stated that Ducote will be prosecuted by the State of California for possession of stolen documents and indicated that Ducote will state as his defense that he acted at the direction of the FBI.
Memorandum to Mr. Gallagher
RE: JOSEPH JEROME DUCOTE, aka
62-116783

DETAILS: On 12/22/75, Special Agent John Lilly, Bureau of
Investigation, advised that Ducote had been arrested
by them and incarcerated in the Santa Clara County Jail,
with bail set at $100,000. He is charged with 14 counts of
grand theft and possessing and concealing stolen property.
Lilly stated in their continuing investigation, they now find
that Ducote merely alluded to dealing with some security agency
and that other people concluded that it must be the FBI.

On 12/24/75, Joseph Jerome Ducote was interviewed
by SAs of the FBI at the Santa Clara County Jail and provided
the following information:

Ducote advised that he has never worked for the
FBI in any capacity. He advised that he did not turn over
any documents to Agents of the FBI nor did he ever meet any Bureau
Agents who were acting in an undercover capacity.

Ducote stated, however, that Western Research of
Oakland, California, had sent an agent down to review papers
that he had in his possession. Ducote said he thought this
individual was from Army Intelligence based upon the way the person
was dressed and in his general appearance. Ducote advised
that he had what was believed to be two meets with the CIA,
the first being in Washington, D. C., and the second in San Jose,
California. He advised that he never directly contacted the
CIA for these meetings. Ducote refused to comment on this
matter inasmuch as he was concerned it might jeopardize his current
position.

Bureau files reveal Western Research Foundation,
also known as Research West, Inc., is a private subversive
information-gathering and news clipping agency which provides
said information to private industry and the House Committee
on Un-American Activities, and was utilized as a source by the
San Francisco Division as CS SF-33X (closed).

Comprehensive letterhead memoranda and affidavits
submitted by both the San Francisco and Sacramento Divisions regarding
this matter, specifically deny that Ducote or his associates
provided any stolen documents to SAs of the FBI or were ever
operated as sources, informants, or at the direction of the FBI.
Memorandum to Mr. Gallagher
RE: JOSEPH JEROME DUCOTE
62-116783

It is noted, however, that a mailing list for the San Jose Peace Center, one of the organizations reportedly burglarized by Ducote in 1967, was provided to SA Malcolm E. Sample in 1965, by former SF 2581-S, at the time a highly placed source at the Center. This source obtained the list as a result of source's direct affiliation with the Peace Center and not through any contact with Ducote. Bureau files contain no information which would link source with Ducote.

Departmental Attorney William L. Gardner was advised of the status of the pending investigation and furnished copies of all letterhead memoranda and affidavits submitted by San Francisco and Sacramento. Gardner stated that said letterhead memoranda should be furnished to the California authorities in order to assist in their prosecution of Ducote.

By letter dated January 8, 1976, directed to SAC Charles W. Bates, the Attorney General, State of California, and the Chief Assistant District Attorney, Santa Clara County, made written requests for certain original FD-302s and memoranda regarding Ducote, said request in addition to the letterhead memoranda provided, in order to assist in this prosecution of stolen property and grand theft. The State Attorney General was most appreciative of being provided with copies of the comprehensive letterhead memoranda but indicated that certain original documents were necessary.

In addition to the above, Chief Assistant District Attorney William P. Hoffman, Santa Clara County, requested information as to whether the FBI has in its possession a copy of a mailing list of the San Jose Peace Center. The SAC, San Francisco, recommended that in view of fact that the list was provided by SF 2581-S, prior to the date of the reported burglaries, and has no direct bearing re the prosecution of Ducote, that the District Attorney be advised that "This office did not receive a copy of a mailing list of the San Jose Peace Center from either Joseph Jerome Ducote or his associates." The Intelligence Division (INTD) and Legal Counsel Division (LCD) concurred with this reply and SAC Bates was advised accordingly.

With the above exception, there has been no request made by the California authorities for any original memoranda or FD-302s regarding former CS SF-33X or SF 2581-S.

The CRD, USDJ, and the U. S. Attorney, San Francisco, have been provided copies of all affidavits and memoranda and pertinent information regarding this matter.

ACTION: The opinion of the USDJ will be obtained re release of the original FD-302s and other memoranda regarding Ducote and his associates as requested by California authorities. The LCD and INTD concur with this action.

In Burglary,
Chavez Says

By Rick Carroll

Cesar Chavez and his top lawyer in the United Farm Workers charged yesterday there was a massive political coverup of the 1967 burglary of the union's headquarters in Delano.

"I think the Reagan Administration was up to its neck in this coverup," Chavez told newsmen in La Paz, the union's headquarters east Bakersfield.

"The whole thing is a little Watergate. Law enforcement officials knew about this but did nothing."

He and UFW general counsel Jerry Cohen were referring to admissions Tuesday by Jerome Ducote that at least two major grape growers conspirotarily backed his burglarly in Delano.

Cohen charged that "the FBI, the CIA and the Delano police of course have known about the burglaries for a long time - the Delano police since the night they occurred and the FBI since February of 1976 when they shadowed a meeting I had with Ducote in a coffee shop of the Ramada Inn in Bakersfield where he tried to sell me back the stolen documents for $25,000."

Cohen said the CIA learned about the burglaries when Ducote, according to Ducote's own admission, met with a CIA liaison agent in Washington in 1967 following a meeting with then-Congressman Charles S. Gubser (Rep.-Gilroy), who has since retired.

"So," said Cohen, "a central question is, why did it take so long? Why does this all surface now after the three-year statute of limitations has run out, and the trails to evidence grown stale?"
Cohen said there ought to be a high-level investigation of law enforcement inactivity in the case, "but I don't know whom to fall upon. You don't send in Typhoid Mary to fight an epidemic of typhoid."

Meanwhile, Ducote told state investigators that while he wasn't stealing documents in the late 1960s he was criss-crossing the country raising money from big businessmen "for our operation."

Checks raised in this way, he said, in a statement on file in San Jose Municipal Court, were forwarded to a post office box in Willow Glen, Santa Clara County.

Kenneth Wilhelm, then secretary of the Santa Clara County Farm Bureau, had the key to the post office box, Ducote said.

Ducote, a former Santa Clara county sheriff's deputy and former president of that county's Young Republican Club, is "being held in lieu of $100,000 bail on 21 counts of concealing stolen documents and grand theft."

His lengthy statement given to state agent Walter Kubas details how he burglarized the headquarters of the United Farm Workers in Delano, the San Jose Peace Center, the Oakland Peace Center and Ramparts Magazine, to name a few.

He performed these political chores, he said, with the backing of various farmers opposed to the UFW or with the backing of certain businessmen.

On one occasion in 1967, "Ducote said, the late William Penn Patrick paid him $2000 for a copy of the San Jose Peace Center's mailing list."

Patrick, head of the multi-million dollar cosmetics pyramid known as Holiday Magic, also offered him $1400 for a mailing list of the Oakland Peace Center.

Ducote said in his statement that a few days later he and Henry Scherling and Andy Gulermovich entered the Oakland Peace Center and stole the mailing list. But they never got paid, Ducote said.

Scherling and Gulermovich were mentioned by Ducote as being involved in other political burglaries with him. They could not be reached for comment on the Oakland Peace Center job.

Ducote told agent Kubas that he raised $40,000 from California farmers to fight UFW leader Cesar Chavez between 1965 and 1970, and that he raised undisclosed sums from around the country when he was not being a burglar.

In 1968, he said, he went to Philadelphia at the request of Stephen D'Arrigo, a Salinas Valley farmer, and got J. Howard Pugh, chairman of the board of Sun Oil Co. to send a $1000 check to the Willow Glen post office box.

Ducote also said he picked up a $1500 check in Los Angeles from "a Mr. Hearst" at the Los Angeles Herald Examiner in 1968.

The newspaper was then involved in a strike, Ducote said, and he explained (apparently to Hearst) about the efforts being made to combat Chavez.

Ducote said he showed documents stolen from Chavez, social reformer Saul Alinsky and the San Jose Peace Center to Representative Charles Dubser (Rep.-Gilroy) and to various government intelligence agents in Washington.

He also showed some of his stolen political documents, he said, to State Senator Hugh Burns, then head of the State Senate's Un-American Activities Committee.

On July 30, 1974, Assistant U. S. Attorney (AUSA) William B. Shubb, Sacramento, California, advised that he had telephonically discussed the captioned matter with [REDACTED] informed him that their position in this matter was that the civil rights of sheriff's personnel and the Sheriff's Office were being violated by the pickets due to the intimidation of sheriff's personnel by the Mexican-American tomato picker pickets, thereby requiring law enforcement assignment to the picket sites beyond normal strength and thereby depriving other citizens of equal protection of law by virtue of the fact that they are not Mexican-Americans. AUSA Shubb stated he advised [REDACTED] that his complaint was considered unique and informed him that a Departmental decision as to the merits of the complaint would be in order and suggested [REDACTED] may desire to confer with Assistant Attorney General J. Stanley Pottinger, U. S. Department of Justice, Civil Rights Division.

In an article appearing in the "Stockton Record" daily newspaper dated July 26, 1974, [REDACTED] is quoted as stating, "My men are being subjected to extensive verbal

"We are being compelled to be in attendance (at the tomato
fields) in great numbers because of the conduct and mis-
conduct of people at the scene. This denies the public's

tected is in jeopardy." The article further states that

San Joaquin County
Sheriff's Office (SJCSO), on July 30, 1974, advised that
incidents occurring out of the tomato picker picketing were
relatively uneventful on July 27 through 29, 1974. However,
five picket arrests on trespassing and assault on law
enforcement officer charges had been made July 30, 1974.

advised that Mr. Fred Grey, representative of the
Community Relations Division, U. S. Department of Justice,
San Francisco, California, has continued to be an observer
to the picketing activity in the vicinity of Stockton as
of July 30, 1974.

Further contact with the SJCSO resulted in
information that an incident occurred on July 30, 1974,
at a Stockton street intersection near a tomato field
wherein tomato picker pickets and members of the United
Farm Workers (UFW) had staged a sit-in. This incident
related to the fact that the pickets were insisting on
the arrest of a tomato grower representative whom they
accused of deliberately injuring several UFW workers by
driving his pick-up into the group. A meeting occurred

between officers of the SJCSO, a Deputy District Attorney
from San Joaquin County, an attorney representing the UFW,
and Mr. Manuel-Chavez, cousin of UFW leader Cesar Chavez.
At this time, according to the SJCSO, when a complaint was
not forthcoming for the arrest of the grower representative,
Chavez accused the SJCSO of being a racist police department,
that they were on the growers' side, that they were going
to hear from them, that they were going out into the
community to get them (SJCSO), and stated that the police, we are going to take them on. Chavez departed
the scene of the sit-in at that point after talking to
his people.

Tomato picking activity in the Stockton vicinity
has been curtailed as of August 1, 1974, due to the drop in
the eastern market and a corresponding drop in picketing
activity has occurred and is anticipated to be somewhat
reduced for the immediate period. However, UFW demon-
strations are occurring at the county courthouse, and it
is anticipated that there will be some courtroom disruption
when the Mexican-American defendants who have been arrested
by the SJCSO are brought in for court appearance.

in a radio news broadcast in
Stockton stated that the matter concerning his allegation
of civil rights violations against his department is under
consideration by the Civil Rights Division of the U. S.
Department of Justice.

This is a limited investigation.
Attorney JAMES RUTKOWSKI representing the United Farm Workers (UFW), Yuma, Arizona, was contacted concerning making arrangements to interview [REDACTED]. RUTKOWSKI stated the matter was presently pending in Federal District Court, Phoenix, Arizona and he would not allow these individuals to be interviewed by the FBI at this time inasmuch as the matter has greatly "calmed down" in the Yuma area and it was his belief that an interview would only "heat up the situation."
Yuma County Attorney MICHAEL SMITH advised that the civil suit filed by United Farm Workers in State Court had been filed through the proper channels; however, that all parties concerned had never been served and that it was his belief that the United Farm Workers would withdraw the State action in favor of a Federal decision concerning this matter.
On Order issued by Court of Appeals, 9th Circuit, stating Amended Complaint filed by Plaintiffs, which omits challenges to constitutionalities of any state statutes. Case was referred back to U.S. District Court, Phoenix, Arizona, and three-judge court vacated.

Copies of Amended Complaint, above Order of Court and current Docket Sheet obtained.

Edward Levi  
United States Attorney General  
Department of Justice  
Washington, D.C.  

Dear Mr. Levi:

We would like to bring to your attention some disturbing events which have taken place near Pecos, Texas in the last three days. We request any assistance you can render to stop the violation of farm workers' rights that is going on there now.

On Wednesday, July 23 United Farm Workers organizers and supporters began picketing near melon fields in Reeves County, Texas. They were picketing peacefully on a public road, trying to inform field workers of the benefits of unionization, when they were arrested. More than thirty people were jailed, including three women and eight children. They were charged with criminal trespass despite the fact that the county surveyor and some of the growers in the area admit the road where picketing took place is public. A law student intern was arrested later that day when she went to the Reeves County jail to inquire about the charges.

The children, ranging in age from twelve to fifteen, were held for five hours in the adult section of the jail before bail could be raised. Nineteen men were forced to remain in jail for two days because no local bondsmen would agree to bond them. During that time the prisoners were denied breakfast in apparent retaliation for their having shouted slogans in support of a field workers' strike.

On Friday, July 25, a picket line was set up on a public road near melon fields in neighboring Pecos County. The picketers were accompanied by an attorney and several law students who hoped by their presence to prevent further arrests. Moments after picketing began all of the UFW supporters on the road, including the lawyer and law students, were arrested. They were given no warning or opportunity to leave to avoid arrest. Fifteen people are again charged with trespass, although their brief activity took place on a public road.

The actions of the Pecos and Reeves County sheriffs are clearly illegal. The sheriffs are using their powers as law officers to stop legitimate labor organizing activities and to interfere with the farm workers' First
Amendment rights. They must be called to account for their lawlessness before they succeed in crushing all UFW organizing efforts by their intimidating tactics.

We believe that national attention must be focussed on the developments in Pecos and national pressure must be brought to bear on so that the law might be observed. We ask your help in achieving these two objectives.

Sincerely yours,

Reports have come to our attention regarding incidents of violence in connection with efforts to organize farm workers in Rio Grande City, near Corpus Christi, Texas. According to a February 24, 1967, story in the Harlingen Texas VALLEY MORNING STAR, on February 22, a truck owned by La Casita Farms, Inc., carrying produce to a broker buying vegetables for the U.S. Army, was "run off" the road by three persons in another vehicle. Persons subsequently arrested by local authorities on charges relating to this incident have been identified as individuals recently arrested in conjunction with demonstrations for the United Farm Workers Organizing Committee (UFWOC). La Casita Farms reportedly has been the target of a UFWOC campaign to organize agricultural laborers in Rio Grande City.

An editorial of December 30, 1966, in LA VERDAD, a Spanish-English weekly newspaper published in Corpus Christi, also makes reference to "recent violent eruptions" in Rio Grande City regarding labor organizing difficulties among the farm workers of the Rio Grande Valley. We would appreciate being advised of the situation generally and of the particular acts of violence which have come to your attention. We will then be in a position to determine what, if any, investigation should be undertaken.

Reference is made to your memorandum dated March 15, 1967 (Department file 144-74-835), which requested advice as to certain activities of the captioned Committee.

Our files reveal that in 1966, the United Farm Workers Organizing Committee (UFWC) merged with the National Farm Workers Association (NFWA). Since October, 1965, considerable information received by this Bureau has been furnished to the Records Administration Office of the Department relating both to Communist infiltration of the NFWA and various demonstrations by such organization in connection with efforts to organize farm workers in Texas and in California. This information sets forth particular incidents as well as the general situation regarding labor organizing difficulties among the farm workers. (161-4719-31; 100-444762)

In addition, information has been received from the FBI that on February 1, 1967, the sheriff's office had arrested ten individuals on charges of disturbing the peace when they entered the premises of the victim corporation to harass the nonunion workers. Reportedly, there were among those arrested two individuals connected with UFWC and five religious leaders. All of the persons arrested were released after posting $100 personal recognizance bond.

It is suggested you may wish to review information in Department files prior to any investigation being instituted by this Bureau. No further action will be taken by the FBI in the captioned matter in the absence of a specific request from the Department.

1 APR 4 1967
NOTE:

Criminal Division advised of alleged violence as reported in newspapers concerning labor organizing activities of captioned Committee with regard to laborers of the victim corporation; requested advice of the situation generally and particular acts of violence coming to our attention; and indicated it would determine whether investigation was warranted under Anti-Racketeering (AR) Statute (18 USC 1951) which prohibits extortionate demands induced by violence.

No investigation under AR is being instituted since labor organizational activities are not considered extortion as defined in AR Statute.

Our investigation as to possible Communist infiltration of NFWA, independent labor union (now known as UFWOC), in the past did not indicate it was controlled by Communists, but that Communist Party members or sympathizers have furnished support in certain activities concerning grape growers in California. Various demonstrations by this organization in form of marches and auto caravans during 1966, were reportedly for the purpose of focusing attention on the organization by obtaining publicity.

San Antonio and Houston Offices being requested by separate communication to keep Bureau advised of any further incidents which occur relating to the organizational attempts of the union in the Rio Grande Valley.

The Department was advised that since October, 1965, considerable information received by the Bureau has been furnished to the Department relating both to Communist infiltration of NWFA and various demonstrations by such organization in connection with efforts to organize farm workers in Texas and in California. No specific investigation is being requested at this time, but each office should insure that the Bureau is promptly advised of any incidents which arise in the future relating to organizational attempts or other activities of the captioned Committee in the Rio Grande Valley.

Dear Mr. de la Garza,

I spoke to you on the telephone last year while you were in the Valley. Concerning the Starr County Labor Trouble, I am enclosing an article which appeared in the Valley Morning Star today. I believe that the "Hobblands" are bent to ruin the one chance that Starr County had had to make any money in years.
You can believe me when I say that the farmers and produce people are alike at the end of their row—what good will the strikers do if all industries close down?

Of course my first question is — Why is the United States Government protecting and showing deference to this class of people? Most of them are engaged in anti-American activities and have no regard for
human being, her property.
This situation is so
distressing to the citizens
who are still trying to
maintain an independent

MISCELLANEOUS - INFORMATION CONCERNING

Mrs. Mildred Stegall called from the White House this afternoon. She advised that Marvin Watson, Special Assistant to the President, is under the impression that the FBI has investigated and prepared a report on a series of incidents involving farm workers in Rio Grande City, Texas. I told Mrs. Stegall that I had no recollection of any overall investigation of this situation but that I would check and we would send over a memorandum.

As a matter of background, the United Farm Workers Organizing Committee, also known as the National Farm Workers Association, has been involved in organizational and strike activities in Rio Grande City for some time directed against fruit and vegetable producers. We have received and disseminated considerable data regarding this situation. We have also conducted several civil rights inquiries as a result of allegations of mistreatment and denial of civil rights by law enforcement officers in connection with the strike of farm workers in that area.

ACTION:

The General Investigative Division should prepare a concise, factual memorandum reviewing the background of this situation in Rio Grande City, indicating the extent and nature of our investigative activity in connection with the situation. A cover letter should be prepared to Mrs. Stegall forwarding the memorandum in response to her request. This should be expedited.
