Legal department has asked us for a complete list of all cases across country in which we are either plaintiffs or defendants. This includes, of course, which are on appeal. These cases might refer to picketing or they might refer suits against the union for non-payment of bills. The legal department to know who the lawyers are who are representing us.

Many of our boycott staff are new, they are often not aware of old lawsuits. you please respond to me today with a copy to Jerry Cohen in the Salinas Department. His address is as follows:

Dear Larry,

Concerning legal problems in the former North Central Division:

- 1) In Chicago we have an injunction that was indefinitely continued. In November of 1975 we had a "March on Jewell", Jewell got a TRO to keep us from picketing on that particular day only. We then worked out the indefinite continuence and it has never been heard of since. The lawyer for the case was/is:

Charles Orlove
201 N. Wells #2122
Chicago, Ill
(312) FR2- 1646

- 2) Milwaukee had/has an injunction concerning picketting, but I don't think that there is anything pending. You should ask Chris.
3. I believe that the same holds true for Minn. You can ask Sr. Judy.
- 4) I don't know about Kansas City, but you can ask James Lumsden
- 5) I don't recall anything with St. Louis, you can check with Richard Cook.

Good Luck!

Mark Pitt
