the **Farm Workers Union** has just opened an office at the corner of 6th St. and S.W. Avenue E (next to Nate's Record Store).

The purpose of the Union is to help all the people that work in the fields to pull together and make these farmers pay better money and treat people right.

At the Union office you can get help and information on a lot of things like:

* Workman's Compensation (if you get hurt on the job)
* Food Stamps
* Welfare
* Income Tax
* Social Security
* Lift Line
* or any other help that you might need

We are open on Saturday and Sunday too.

Come on in any time!

United Farm Workers Union
